c)		

Description/Role

a)

b)

c)

**IV Employment Information**

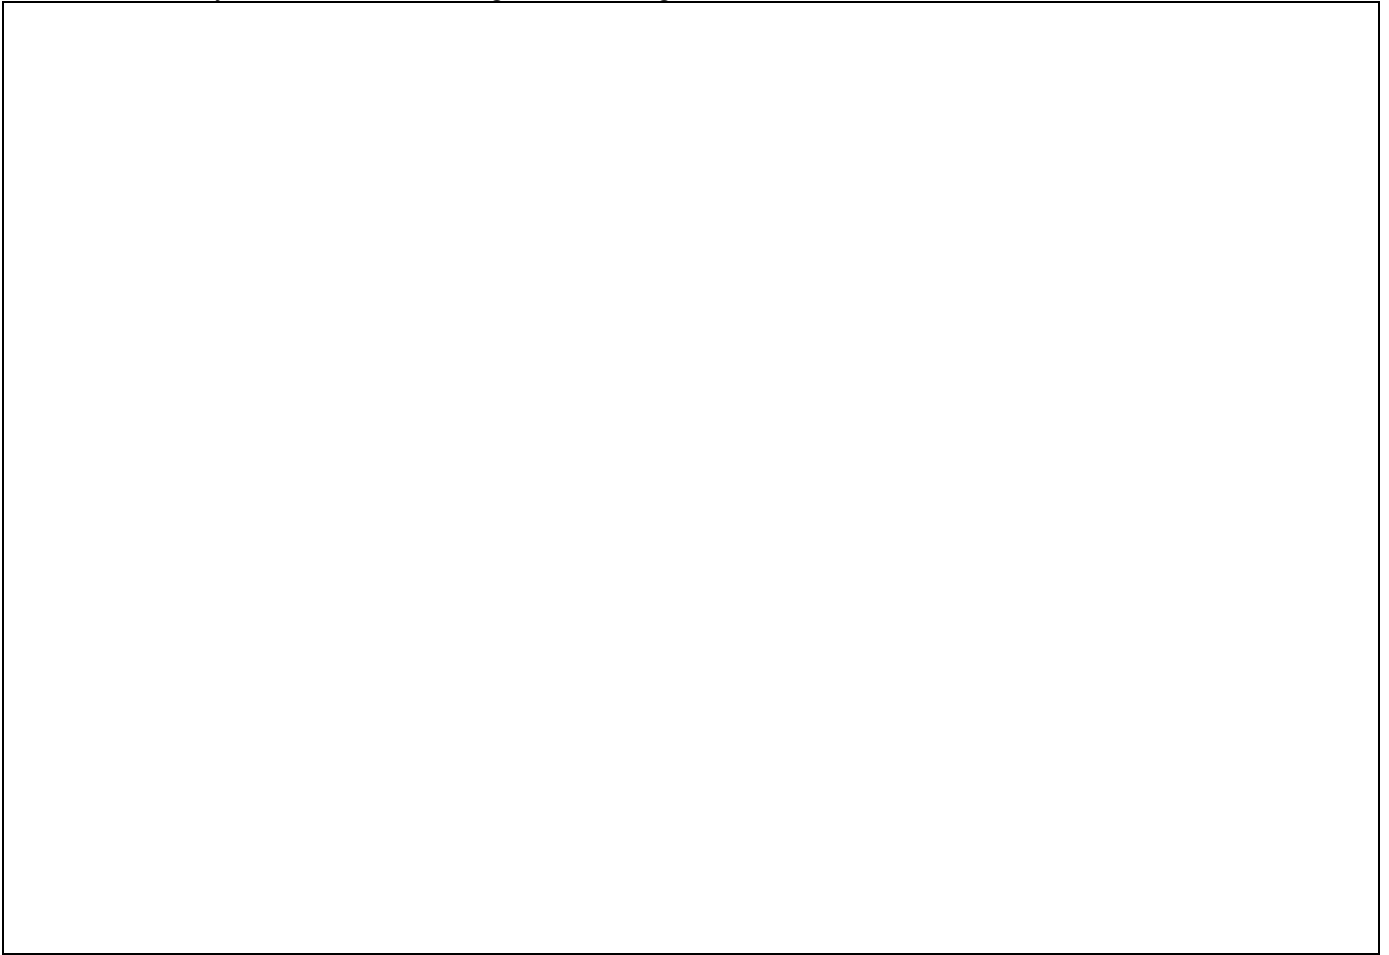

a) Number of years of full-time work experience (excluding internships, summer employment, etc.)

---

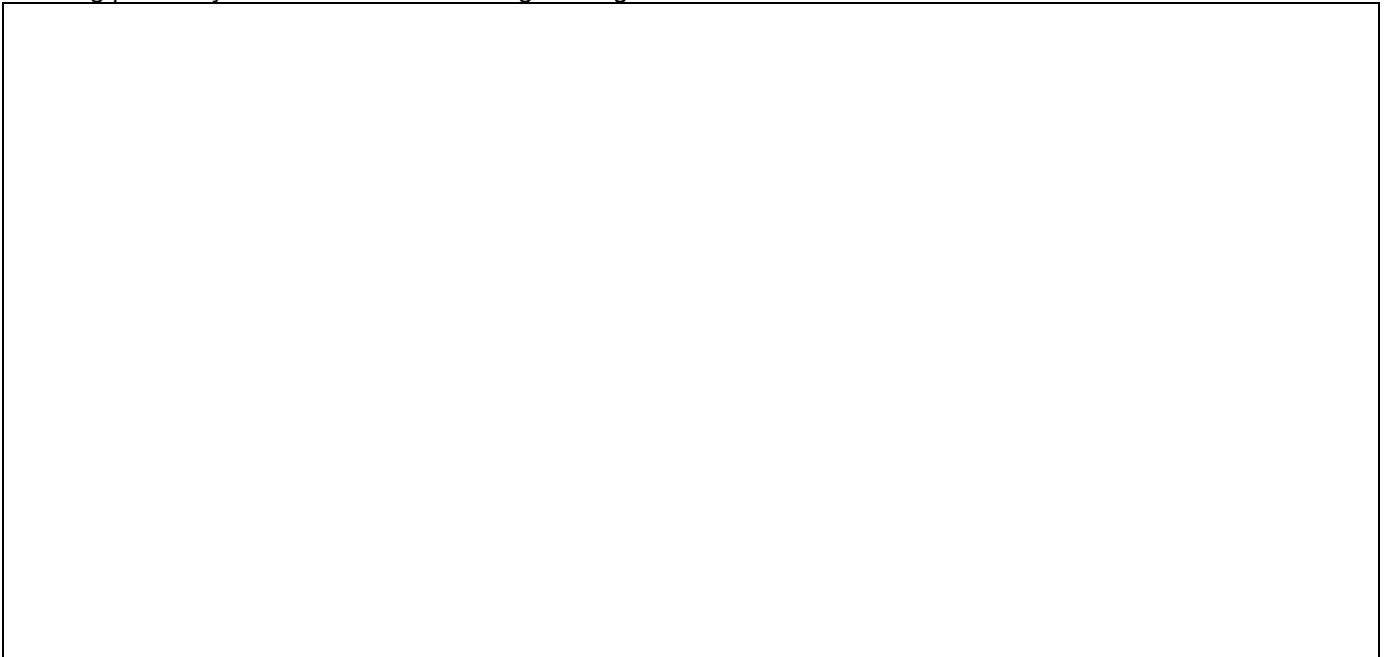

b) *Beginning with your most recent job, please list each of the jobs you have had since the beginning of your university or college studies, including part-time jobs, internships, and military service. Please account for all periods of time. You may use additional sheets as necessary.*

**V Personal reflections (Handwritten description in the space provided only)**

1 Please describe your short-term and long-term career goals

2 How will your past professional experience, background and interests combined with HRDG's entrepreneurial training position you for success in attaining these goals?

- 3 Identify a current business trend related to your career goals mentioned in 1 and predict its impact 5 years from now. How will the trend influence your objectives?

- 4 What unique contributions will you bring to the program that will enhance the value of the classroom experience for your classmates?

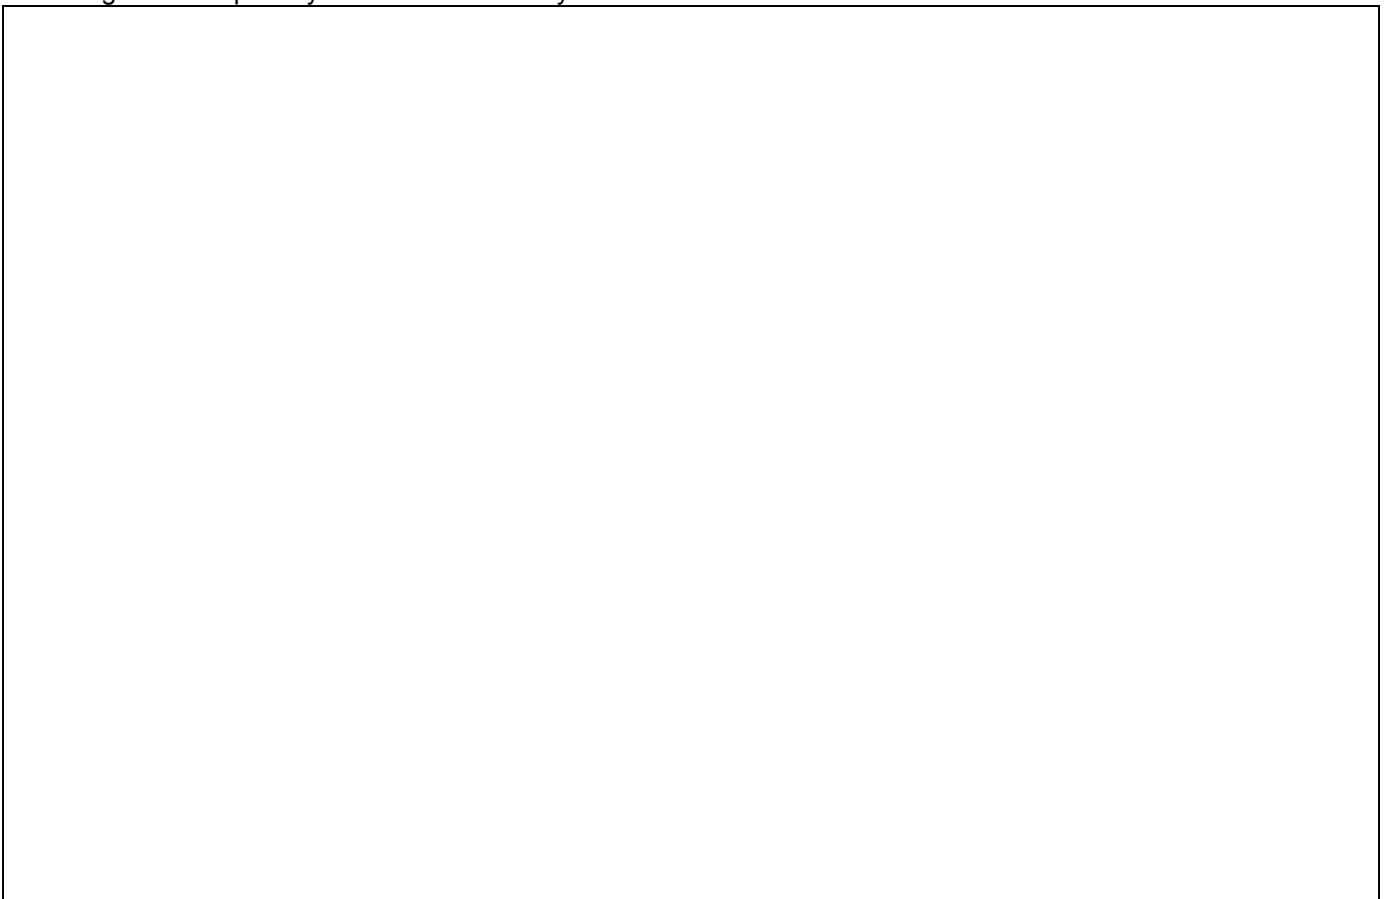

5 Is there anything else that you think we should know as we evaluate your application?

6 What are your specific entrepreneurial accomplishments and how will these accomplishments add value to the HRDG's entrepreneurial training program?

7 Give a good example of your leadership qualities

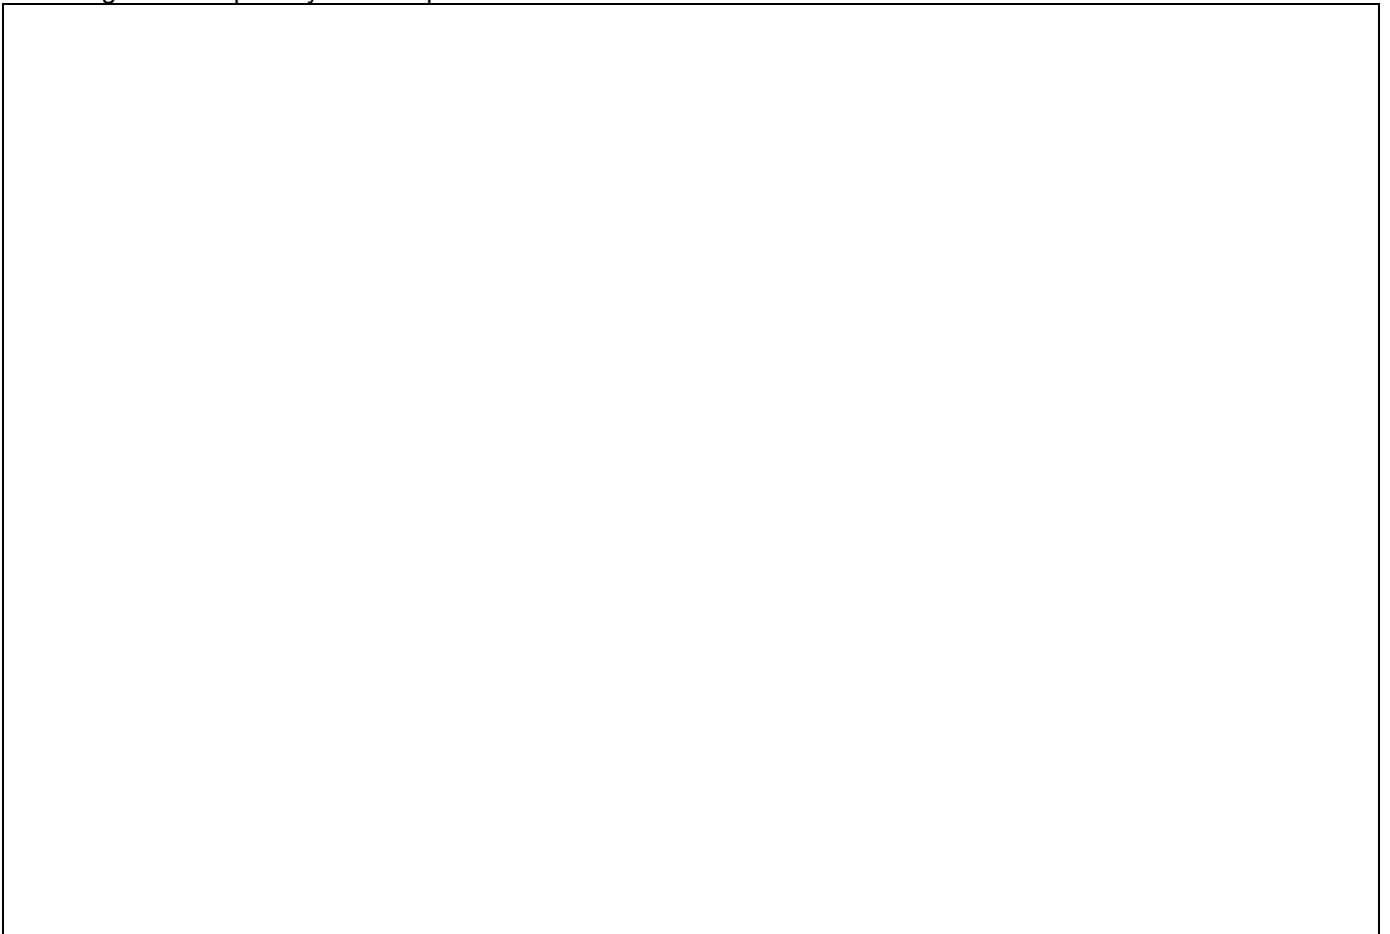

8 Give a good example of your service to society

9 Give a good example of doing something extraordinary to a friend or to a relative

10 Give a good example of your entrepreneurial behavior

11 Please explain, how you think the program will help you?

12 Will you like to be considered for the same program after six months if we cannot accommodate you now?
