File No. 2/US/EMR-I/2021   Dated: 07.06.2021

Subject: Updating of Fellow/Institute Bank details owing to merger of banks

CSIR-HRDG is in the process of disbursing fellowships and contingency grants to research scholars/Institutes across the country. Owing to the merger of the following public sector banks effective from April 2021, the payment information of the fellows/Institutes holding their accounts in these banks have now become invalid:

- Allahabad Bank with Indian Bank
- Oriental Bank of Commerce (OBC) and United Bank of India with Punjab National Bank (PNB)
- Syndicate Bank with Canara Bank
- Corporation Bank and Andhra Bank with Union Bank of India

This has generated discrepancies in the bank details available with CSIR -HRDG and resulted in a lot of reversed payments on account of mismatched IFSC codes.

All the fellows/Institutes who have accounts in these banks which have been merged, are requested to send correct details of their accounts in the format given below on email id helpdeskemr@csirhrdg.res.in with the subject as "Updating of Bank Details" with self-attested scanned copies of supporting bank documents such as cancelled cheque/copy of passbook issued by the new merged bank, if available, to the helpdesk latest by 11th June 2021:
